A PULSE-POUNDING TALE OF LOVE, LUST, AND GENETIC ENGINEERING IN THE HAPPENIN'

HEARTBREAKERS™

FROM THE EDITOR

Welcome back! With this issue, *Gay Comics* returns to the comic stands with a smorgasbord of new talent.

We're sorry to have been away for the last year, but many factors put the future of *Gay Comics* on temporary hold. The humongous increase in paper prices have made budgeting tighter than ever, while the horrific state of the comic book industry has led to decreased sales across the board. And your editor must take some of the blame, as relationship and career issues took time away from working on this queer old funny book.

But *Gay Comics* is one of the oldest surviving underground comics (though these days I consider it a part of the mainstream "alternative" market). And as one of the oldest, we had to survive. We may be ignored by the *Overstreet Price Guide* and barely mentioned in books on the comic book world or gay culture, but we are still here.

We're still fulfilling the purpose set out by creator **Howard Cruse** in 1980: to provide Gay and Lesbian cartoonists and comic creators a place to make their unique vision heard. That purpose was later upheld by second editor **Robert Triptow** (1985-91), and then, by me (1991-present). Along the way, we've been joined by bisexual and transgendered cartoonists, and even straight creators who had a story to share.

With this issue of *Gay Comics*, we begin our run up to our 25th issue, and our sixteenth year of publishing! This month we have a crossover with Dark Horse's popular *Heartbreakers* series, as well as continuing stories of the gay-super-hero *Sentinel* (now known as "Pride") and **Roberta Gregory**'s popular *Bitchy Butch*. We've got strips from small-press heroes **Jon Macy**, **David Kelly**, and **Andy Hartzell**. And on an international level, we've got newcomers **Catherine Doherty** (Canada), **Beck Main** (Australia), and **Stephanie Pennington** (Germany)!

Our next issue (due out September/October) will include a cover and crossover story with **Sam Kieth**'s Image/MTV series *The Maxx*, sure to bring a lot of new readers! We'll also see the returns of **Joan Hilty**'s *Immola*, Mangels and **Fludd**'s *Pride*, and strips by **Jacki Randall**, **Leanne Franson**, **Steve Matuszak**, **Jennifer Camper**, and Milestone/Marvel writer **Ivan Velez, Jr.** Newcomers will include *Ciao!* publisher **Marc Lynx**, DC/Caliber artist **John Dennis**, and funny newcomer **Paige Braddock**.

And what about that mysterious issue #25 of *Gay Comics* (due around Christmas)? How about an 80-page giant-sized issue featuring new work by almost everyone who has ever contributed to this series? Sound good to you? I thought it might.

Like I said at the beginning, we're sorry to have been away for so long. But we think our plans for the future will help make up for it. We'll see you all soon!

Keep Loving!

Andy Mangels

P.S. Send out a rousing "Hi" and "Thanks" to **Michael Yamashita**. He's the guy who processes your back issue orders and ships to store accounts, making sure you get your *Gay Comics!*

COOL QUEER COMIC BOOKS TO LOOK OUT FOR

STUCK RUBBER BABY (Paradox Press)

Howard Cruse's opus about a young gay man growing up in the South, and dealing with racial prejudice and his own coming out process is a masterpiece. This is a must-have for any socially conscious person of any orientation. At bookstores and comic stores. ISBN #1-56389-216-2.

DYKE STRIPPERS (Cleis Press)

Thirty-five lesbian cartoonists are represented in this incredible collection, edited by Roz Warren. Cartoons aplenty, and interviews with some of the top-ranking creators make this another bookshelf must-have. At bookstores and (few) comic stores, in softcover. ISBN #1-57344-008-6.

DAY 164
FORCED TO FLEE EARTH AFTER HER DISCOVERIES TOUCHED OFF VIOLENT SOCIAL UPHEAVAL, GENETICIST THERESE SORENSON WENT INTO HIDING ON GANYMEDE. FOR THREE MONTHS SHE AND HER CLONES HAVE ORBITED JUPITER, SECRETLY CONTINUING HER RESEARCH.
OUR HEROINES ARE HOLED UP IN AN UNDERGROUND COMPLEX, ITS ENTRANCE CAMOUFLAGED AS A SMALL MINING CAMP. THEIR SURVIVAL HINGES ON THAT DECEPTION, SINCE EVERYONE FROM MILITANT CLONE-BASHERS TO SORENSON'S FORMER EMPLOYER--BIOVOC--WANTS A PIECE OF THEM!
AND SO IT IS THAT PROFESSOR SORENSON FINDS HERSELF CLOISTERED AWAY IN THE OUTER PLANETS, ALONG WITH HER DELTA-SERIES CLONES (LAB ASSISTANTS) AND THE BETA-SERIES BODYGUARDS ALSO KNOWN AS THE...
HEARTBREAKERS™
VECTOR
STRAND
OF COURSE, GANYMEDE DOESN'T OFFER MUCH IN THE WAY OF DIVERSIONS, SO IT'S UP TO THE GALS TO MAKE THEIR OWN FUN.
ONE OFF-DUTY DELTA IN PARTICULAR IS FEELING A TAD...

I NEED THAT RELEASE! THAT EXPLOSIVE DELIGHT! THAT SPASMODIC, BRAIN-MELTING BLISS!!
I NEED TO COME!! GRRRAH!!!
WHEW!
PERHAPS I SHOULD AUGMENT MY EFFORTS WITH A TOOL OF SOME KIND...
THAT LEVER HANDLE IN LAB TWO? NO, TOO STRAIGHT AND COLD. BRRR!
A CARROT FROM THE HYDRO GARDEN? HMM... I COULD ONLY USE IT ONCE, AND THEN I'D HAVE TO EAT IT. ICK!
I KNOW! I'LL ASK QUEENIE IF I MIGHT BORROW THAT DELUXE THROB-O-MATIC™ OF HERS!! YUM!
SHE MUSTVE HAD IT WITH HER WHEN WE LEFT EARTH--SHE USUALLY STOWED IT IN HER KIT BAG.
THOSE BETAS ARE ALWAYS READY FOR ACTION, IT SEEMS!
HUP! HUP!
I DO HOPE SHE WON'T MIND LENDING IT OUT.
QUEENIE, IT'S VECTOR. IS IT ALL RIGHT IF I...

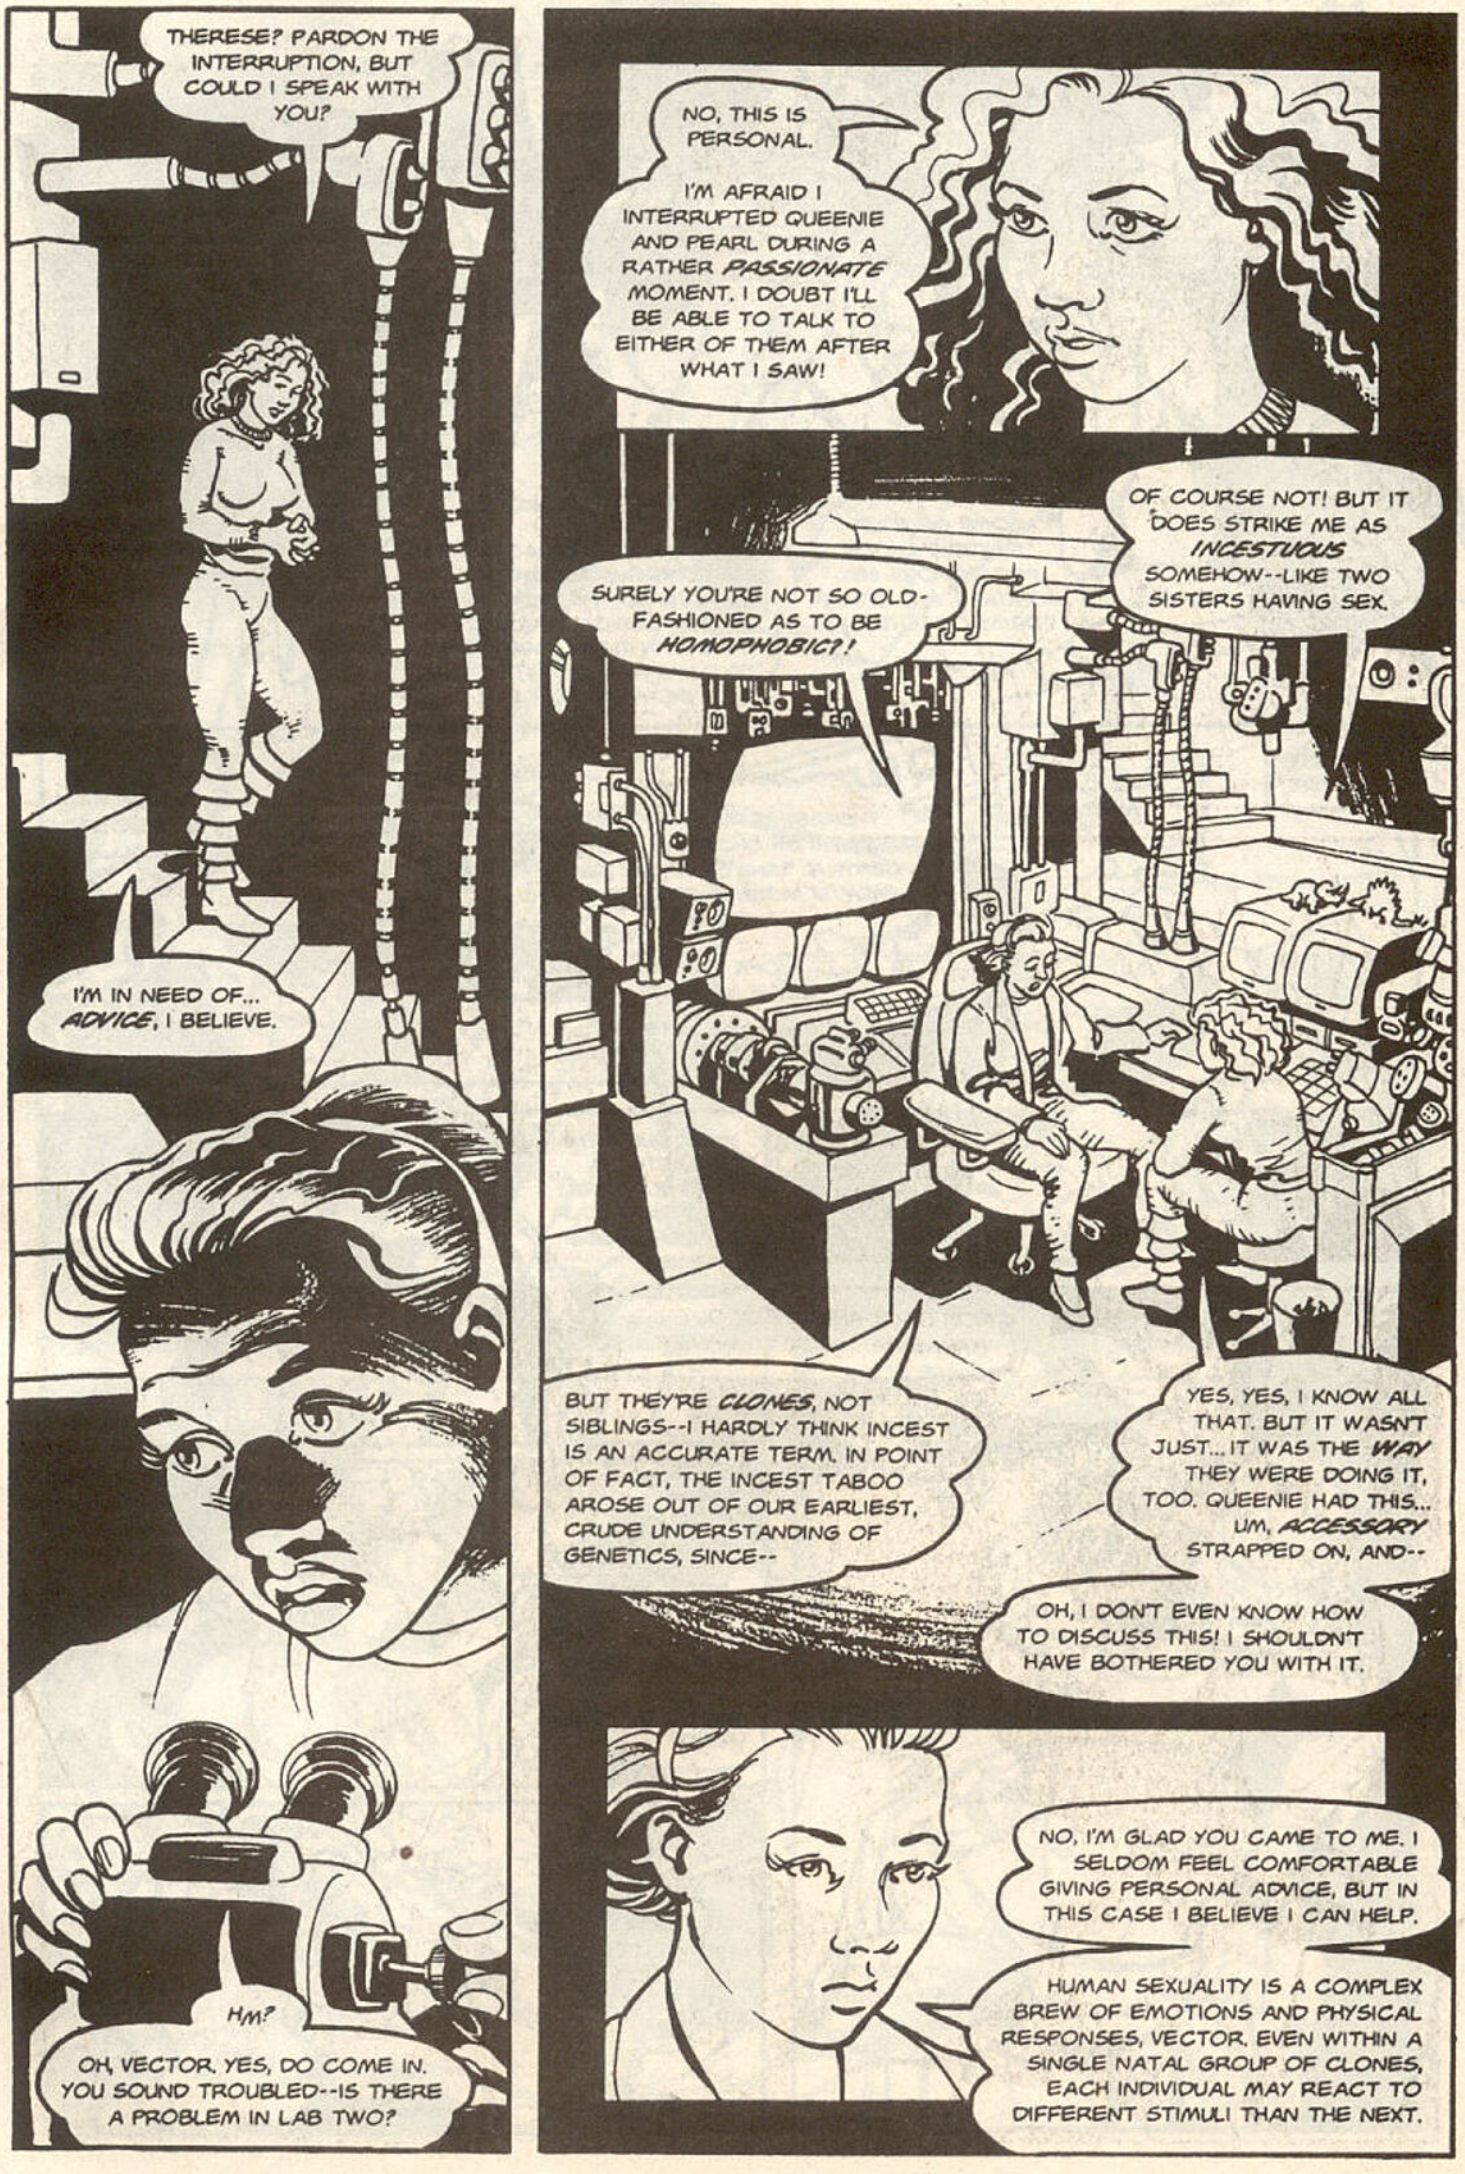
WHATTA WOMAN!



THERESE? PARDON THE INTERRUPTION, BUT COULD I SPEAK WITH YOU?
I'M IN NEED OF... ADVICE, I BELIEVE.
HM?
OH, VECTOR. YES, DO COME IN. YOU SOUND TROUBLED--IS THERE A PROBLEM IN LAB TWO?
NO, THIS IS PERSONAL.
I'M AFRAID I INTERRUPTED QUEENIE AND PEARL DURING A RATHER PASSIONATE MOMENT. I DOUBT I'LL BE ABLE TO TALK TO EITHER OF THEM AFTER WHAT I SAW!
SURELY YOU'RE NOT SO OLD-FASHIONED AS TO BE HOMOPHOBIC?!
OF COURSE NOT! BUT IT DOES STRIKE ME AS INCESTUOUS SOMEHOW--LIKE TWO SISTERS HAVING SEX.
BUT THEY'RE CLONES, NOT SIBLINGS--I HARDLY THINK INCEST IS AN ACCURATE TERM. IN POINT OF FACT, THE INCEST TABOO AROSE OUT OF OUR EARLIEST, CRUDE UNDERSTANDING OF GENETICS, SINCE--
YES, YES, I KNOW ALL THAT. BUT IT WASN'T JUST... IT WAS THE WAY THEY WERE DOING IT, TOO. QUEENIE HAD THIS... UM, ACCESSORY STRAPPED ON, AND--
OH, I DON'T EVEN KNOW HOW TO DISCUSS THIS! I SHOULDN'T HAVE BOTHERED YOU WITH IT.
NO, I'M GLAD YOU CAME TO ME. I SELDOM FEEL COMFORTABLE GIVING PERSONAL ADVICE, BUT IN THIS CASE I BELIEVE I CAN HELP.
HUMAN SEXUALITY IS A COMPLEX BREW OF EMOTIONS AND PHYSICAL RESPONSES, VECTOR. EVEN WITHIN A SINGLE NATAL GROUP OF CLONES, EACH INDIVIDUAL MAY REACT TO DIFFERENT STIMULI THAN THE NEXT.

SOME OF YOUR "SISTERS" ENJOY POLYGAMOUS SEX, BONDAGE, AND OTHER FORMS OF LOVEPLAY.
SO LONG AS SUCH ACTIVITIES ARE CONSENSUAL AND NO ONE IS INJURED--PHYSICALLY OR PSYCHOLOGICALLY--I SEE NO HARM IN THEM. WHATEVER "FLOATS YOUR BOAT," AS THE BETAS WOULD SAY!
LATER
NOK NOK!
THERESE IS RIGHT! AFTER ALL, FREEDOM OF CHOICE IS ONE OF THE CENTRAL TENETS OF THE CLONE-RIGHTS MOVEMENT! WHO AM I TO JUDGE?
I HOPE THEY'RE DONE IN THERE....
QUEENIE, IT'S VECTOR AGAIN. MAY I ENTER?
ONLY IF YA PROMISE NOT T' TURN TAIL AND BOLT AGAIN, GIRL!
I AIN'T THAT HARD ON THE EYES, AM I?
N-NO, QUITE THE OPPOSITE. I'M TERRIBLY SORRY IF I RUINED YOUR, UH, INTERLUDE EARLIER.
AW, DON'T SWEAT IT.
I HAD WANTED TO BORROW YOUR... ERM... ...YOUR VIBRATOR.
HEY, NO PROB! BUT ARE YOU SURE YOU WANTA FLY SOLO?
I DON'T KNOW....
!

ARE YOU SURE PEARL WON'T MIND...?
NO WORRIES, HON--PEARL AND I ARE STRICTLY NON-EXCLUSIVE, IF YKNOW WHAT I MEAN.
YOU LAB RATS CAN BE SO UPTIGHT! WHY DON'TCHA UNCLENCH AND ENJOY YOURSELF FOR ONCE?
VERY WELL, IF YOU INSIST!
THAT'S TH' SPIRIT!
I THINK WE'LL START...

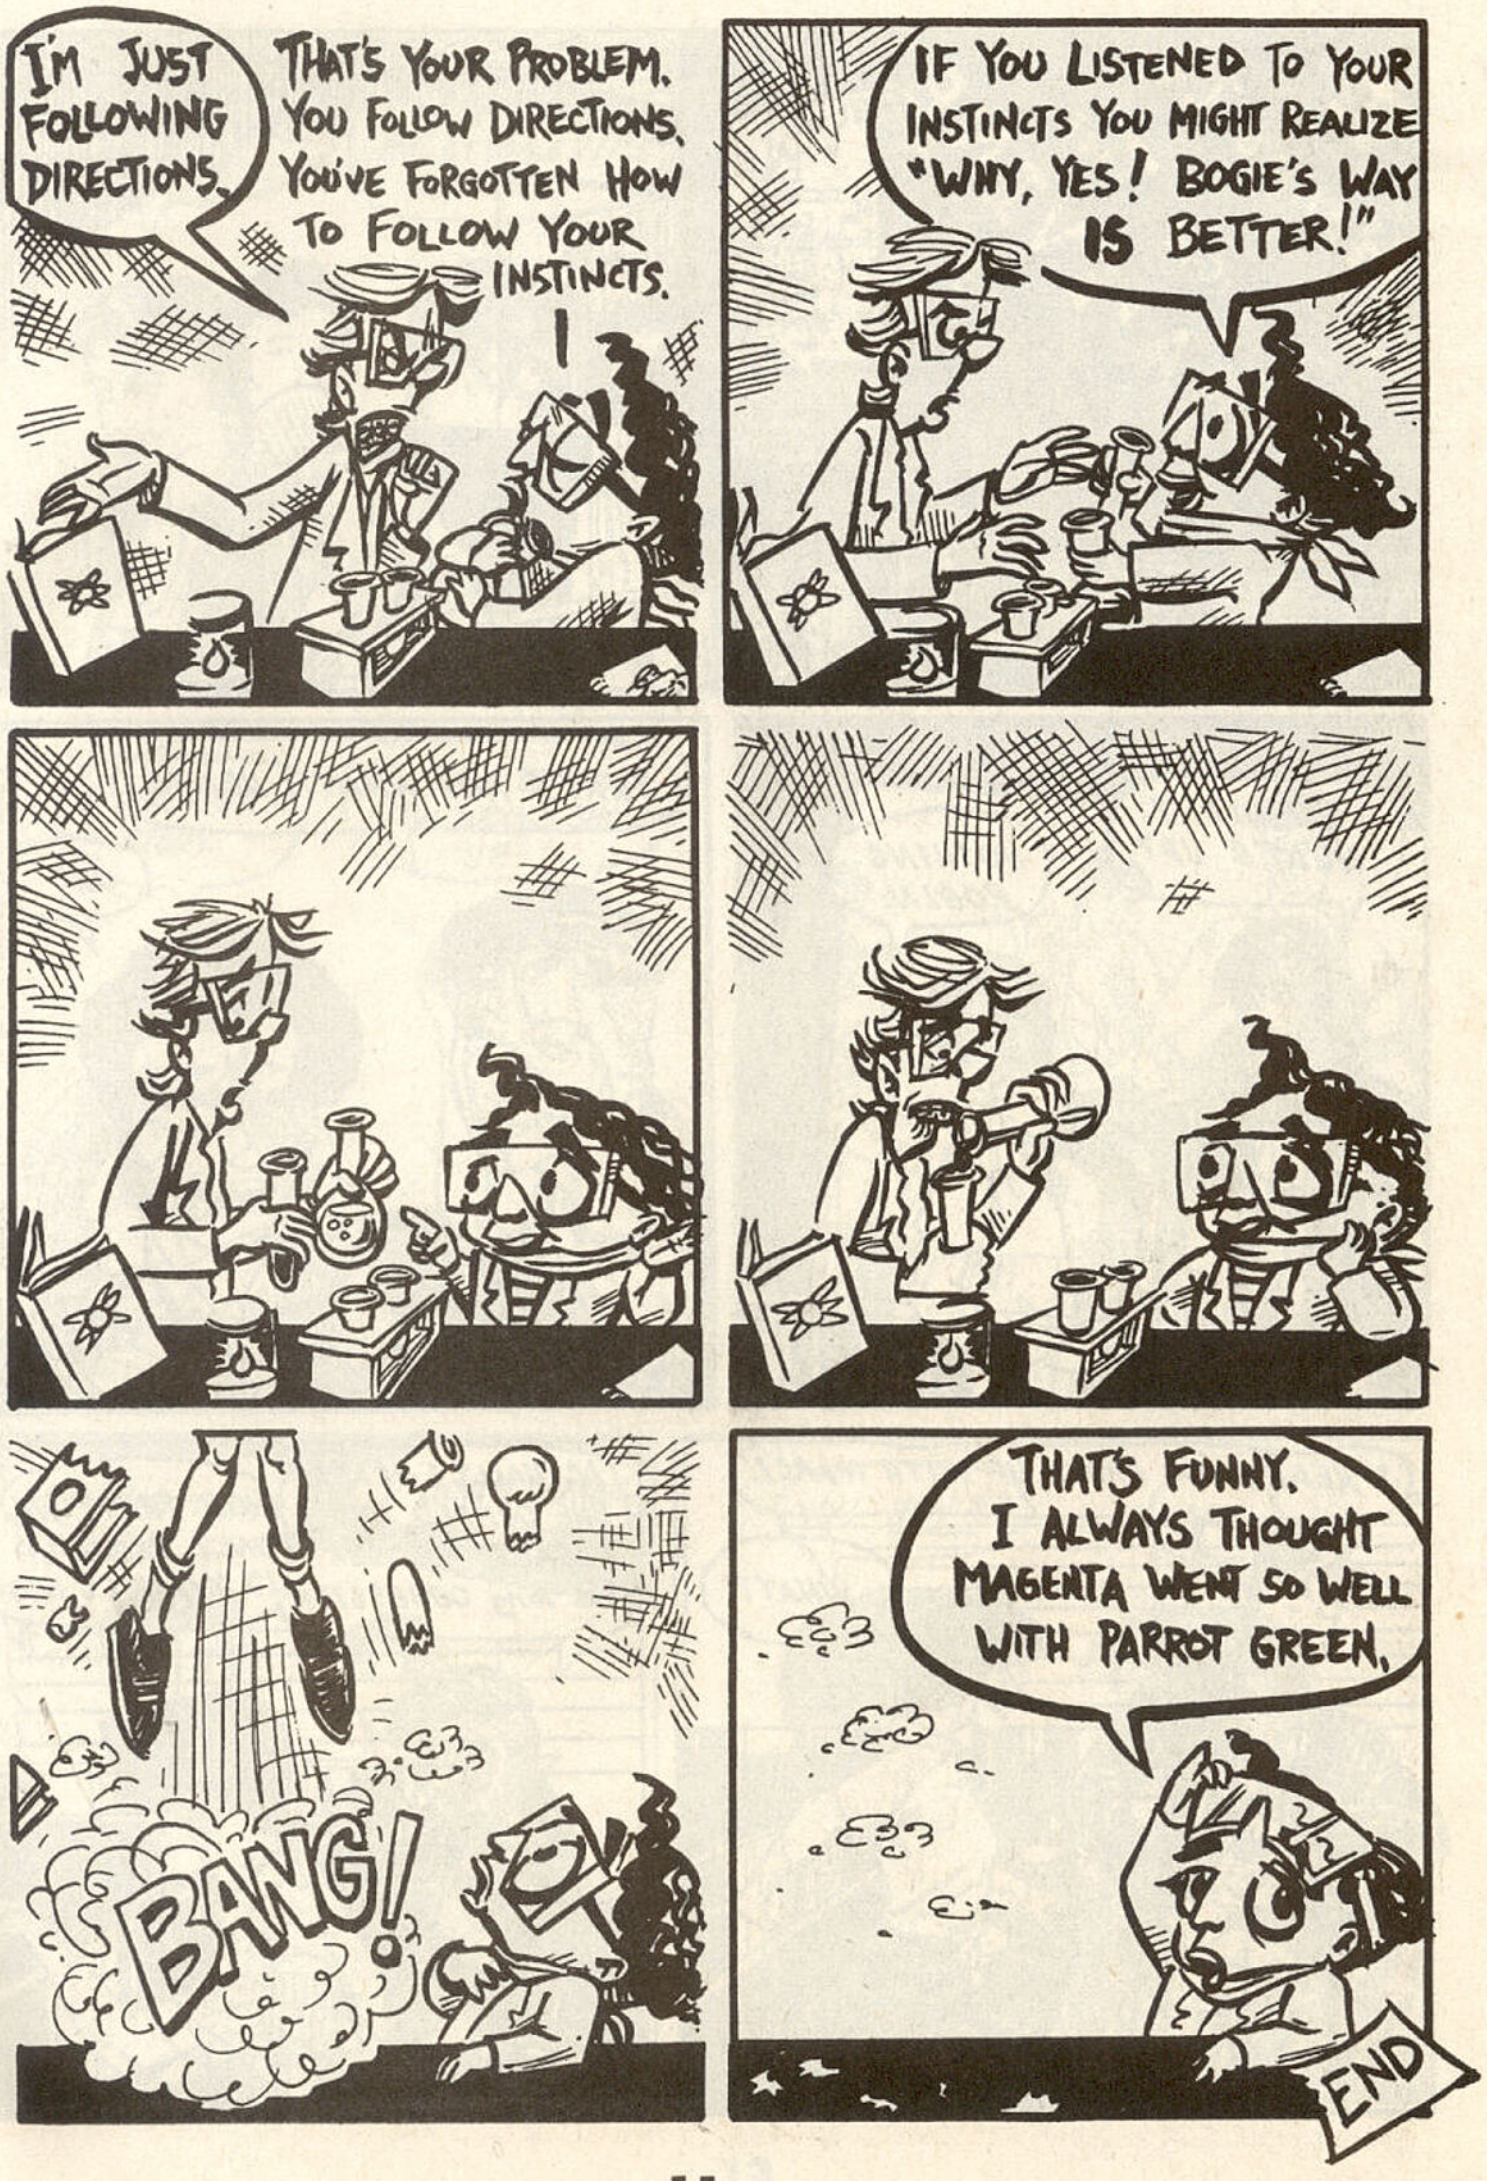
YES, PROFESSOR.
WHAT ARE YOU DOING?!
I'M SIMPLY MIXING THIS PHENOLPHTALEIN WITH--
YOU CAN'T MIX MAGENTA WITH TAUPE!
OH FOR GOD'S SAKE!
MAGENTA IS A SUMMER COLOR. OBVIOUSLY THE MAGENTA GOES WITH THE PARROT GREEN.
GIMME MY BEEKER!
IT WOULDN'T BE RIGHT. YOU DON'T KNOW WHAT YOU'RE DOING.



I'M JUST FOLLOWING DIRECTIONS.
THAT'S YOUR PROBLEM. YOU FOLLOW DIRECTIONS. YOU'VE FORGOTTEN HOW TO FOLLOW YOUR INSTINCTS.
IF YOU LISTENED TO YOUR INSTINCTS YOU MIGHT REALIZE "WHY, YES! BOGIE'S WAY IS BETTER!"

I KNOW IT SOUNDS SELFISH, BUT I REALLY WANTED TO CARRY MY OWN BABY.
PROBLEM WAS, WE DIDN'T HAVE ANYONE WHO WE WANTED TO BE THE FATHER.

WE'D LIKE YOU TO BE THE FATHER, DUSTYN.
WE KNOW THIS IS KIND OF SUDDEN, AND WE DON'T WANT YOUR ANSWER RIGHT AWAY.
IT TOOK US A LONG TIME TO MAKE THIS DECISION, BUT WE THINK IT'S THE RIGHT ONE.

Show and Tell by David Kelly ©1995

For social studies we are studying other countries so for show and tell we each brought something from another country or culture.

Sabrina Wilkinson brought her dad's Hooka Pipe. She said that it was Chinese and you put water in it to use. A pipe with water!

Christopher wore a costume from Greece and played some Greek music. He danced a special dance with Marcy and Jill. Then afterwards he passed out baklava! Yum!

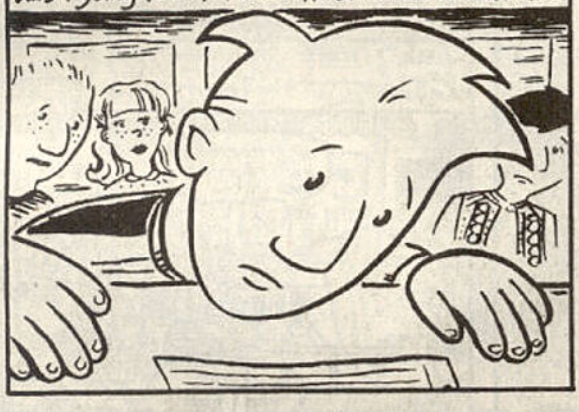
Ballerina Cossette brought a Julia doll. Do you know about that show with a nurse and her kid? She said her cousin Edsonya gave it to her and it was like the first black Barbie-type doll.

I brought my sister Kim's Indian dolls that she got from Montana. My big brother said that they weren't even made by real Indians.

I was supposed to show them after first recess but when I got back they were gone! Someone had taken them from my desk! Kim was gonna cream me!

The Stolen Dolls by David Kelly ©1995

Someone had stolen my sister's Indian Dolls! What was I going to do? I loved those dolls as much as Kim.



Mrs. Kabinski made everyone miss recess and had us write a paper about respecting other people's property. Big deal!!!

How would that get the dolls back? Kim didn't even want me to take them - I had to beg her! I was gonna be in trouble! Kim could be really mean!

At dinner she reminded me about a million times that they were all the way from Montana. Duh! I just told her that I forgot them.

By then I was ready to cry at any second.

Why would someone take them? I prayed to God to show me where they were but it didn't help any.

The Secret Fort

by David Kelly ©1995

I went to the Lost and Found in the office afterschool the next day but still didn't find the Indian dolls.

The vacant lot was filled with two main things: junk and sticker bushes. The fort was at the very back corner near the woods. Then I saw it, one of the dolls.

The boy Indian doll was laying on the ground with a bunch of candy wrappers. He was all bashed up.

We went inside and Tim found a metal box with a bunch of weird stuff in it. There was even a dirty magazine and beer!

I found the other doll standing on an old stump with grape and orange Sunny Jim soda cans all around it. Lilacs surrounded her.

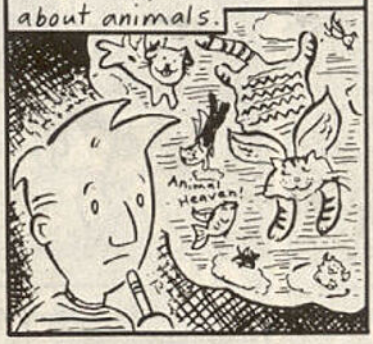
She was missing her beads but she wasn't beaten up.

The Saddest Thing

by David Kelly ©1995

At school, we were supposed to write about something sad. I was sad that someone stole the dolls from me and ripped them up. I hid them in a Hushpuppies shoebox.

The only sad thing I could think of was when our cat ranaway. Brad Rogers said it was stupid to be sad about animals.

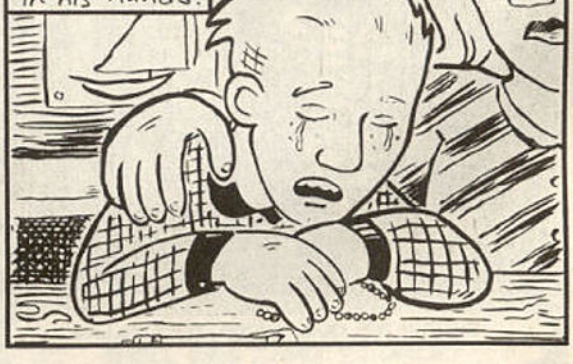


Sabrina Wilkinson told me that she wrote about when her Grandpa Joe died. That's when we saw Mrs. Kabinski with Travis Wise.

Then I did remember. His mom was sick for a longtime. She didn't even drive in the carpool anymore. Then, Mrs. White drove one day and told us Mrs. Wise was with the Lord. I wasn't really sure if that meant dead or not.

I felt really sorry for Travis. I was even afraid to look at him. I had to stop 'cause I felt like I might start to cry, too.

When I got up to leave, I looked back at Travis one more time. That's when I saw he had the beads from the Indian dolls in his hands.



Travis Wise

Hey you!

by David Kelly ©1995

I thought about Travis Wise for the rest of the day. I wonder what it would be like to not have a mom. I didn't even care that he was the one that stole the Indian dolls from me.

When my mom got home from work I asked her about Mrs. Wise and all she said was that since Mrs. Wise died her boys have been running wild.

She said that she sees the dad's El Camino at the Marina tavern almost everyday. So then, who takes care of them? Who makes their lunches and gets them ready for school?

Whenever you ride your bike by their house you never know what to expect. Sometimes they are nice and give you homemade beef jerky and pepperoni. One time, Travis gave me an album for my birthday.

Then other times, they are the meanest kids I know. One time, they tried to crash into me and George with their bikes in the woods.

I kept on thinking what would happen if my mom died. Who would take care of us? Do you know if the mom's become the kid's guardian angels, or something like that, to watch over them?

The Car Show

Really?!

by David Kelly ©95

Christopher asked me if I wanted to go to the car show because Darth Vader was there signing autographs. His sister came to see Leif Garrett.

*Greek for "Dad"

Athena's room has posters all over of him and other guys from Tiger Beat and Sixteen. One time we laid on Athena's bed looking at all of them.

The line to see Darth Vader was really long. I saw Travis Wise go by with his dad and brothers but pretended I didn't see them.

After being in line for a really, really long time Travis walked by and saw us. At first, he was kinda being mean to us but then started to be nice. I never thought Travis would want to see Darth Vader.

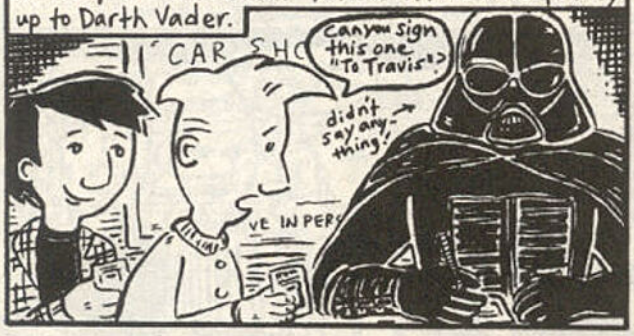
He told us about a hot rod he saw at the show. He was getting excited talking about it.

That's when all of a sudden his dad came and grabbed his hair and started hitting him really hard. He dragged Travis away, never letting go of him the whole time.

Darth Vader

by David Kelly ©1995

I wanted to say something. Mr. Wise dragged Travis away screaming, but nobody said anything. Christopher and I didn't talk until we were finally up to Darth Vader.



You know how you can tell that some people have mean parents? Well, I could tell Travis had a mean dad. Maybe kids like Travis don't start out as mean but end up that way because of their parents.

Not everyone has a mean dad. At least Christopher's dad takes them places and does stuff with them. My dad never did stuff like that with us. Now, we don't even see him at all since he moved to Nevada.

My mom says he's good for nothing. She says he doesn't send the money he's supposed to. I think she wants me to hate him like she does.

I guess I do hate him, in a way, but in a way, I hate her, too. Why did they get married and have kids if they were just going to fight all of the time?

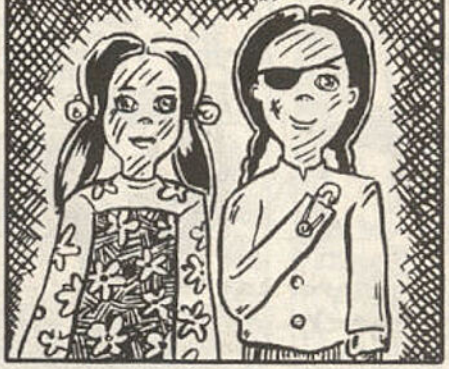
How come some kids get good parents and others don't? Sometimes, I think it would be better to have no parents at all than to have a mean dad and a mean mom.

SORRY...

by David Kelly ©1995

Tim blabbed to Kim about the Indian dolls being under my bed in the shoe box. She started to cry when she saw how ripped up they were.

I tried to fix them up by putting new Barbie clothes on them but it just made them look like hippies.



Nobody really wanted them now. I even felt bad about taking them from Travis' fort. I hadn't seen Travis since his dad grabbed him at the car show.

He wasn't at school all of that week. Did something happen to him and no one told us? Mrs. Kabinski said Travis and his brothers were staying with relatives.

I went back to the secret fort the next day with the girl Indian doll. I set her back where I had found her, this time the lilacs were dead.

Then I put the Darth Vader card in the mail slot at his old house where his dad still lives. I don't know if he ever got it, but I hope he did.

QUEER SIR . . .

Given the one-and-a-half year gap between the last two issues and this one, you'd think our letterbag would be bulging. However, we got no letters about issue #21 and only two about #22! What's up, people? Let's get some letters, so we won't have a perpetually empty lettercol.

Hey Andy,
I've been meaning to write to ***Gay Comics*** *for a while. I'm a 25-year old lesbian who just got into comics via a (now ex-) girlfriend. She introduced me to* Blood Syndicate *and the rest of the Milestone titles. I recently ran into* ***Gay Comics*** *#20 and 21. I really liked the super-hero issue, because that's my style of comic. My favorite was Major Power & Spunky, because it combined humor, sex, cool costumes, excellent illustrations, and a silly story. Gravity Babe & Cerebral Gal were a close second.*
Meroe Elahi
Portland, OR

Welcome to the world of comics, and I hope the revived ***Gay Comics*** will be a big part of that world for you in the future. You also had several questions about breaking in to comics, which I will address in this column and next issue.

Dear Andy,
I have just a couple of quick questions. #1: Are there any gay anthropomorphic/funny animal comics out on the market, and if so, how can I get them? #2: How can I contact Howard Stangroom and Stephen Lowther? Gotta run. Do another funny animals issue soon.
L. Videen
Minneapolis, MN

The only all-gay anthropomorphic comic I know of is from Minotaur (see below), although there has been gay "furry" scenes in MU's *Wild Kingdom* and the *Meatmen* series. And, of course, there's *Omaha* and *Shanda The Panda*, both of which had short crossover stories in issue #22. And you can write to any of the ***Gay Comics*** cartoonists by following these instructions: Put your letter to them in a **stamped** envelope, with their name pencilled on the outside. Put that envelope in another one, addressed to me. I'll forward it from here!

Most of the letters I get are from people looking to break into comics — ***Gay Comics*** being their most obvious choice. I will be touching on this more next issue, but here are a few pointers.

#1 – Editors have a lot more writers contacting them than artists. I have about 20 creators who want to write gay/lesbian super-heroes, with no artists. Unfortunately, I can't run referrals on all of them, nor can we publish this many gay heroes.

If you write, try to find an artist to work with. Advertise in *Comic Buyers Guide* or on the internet, or join one of the gay APAs or fan clubs we've run referrals for in the past.

#2 – Anthology books like this rarely carry many continued strips. Characters can continue, but the best proposals are for short self-contained stories that have a beginning, middle, and end. The best size story is 3-5 pages. We don't publish **anyone** more than a few issues in a row, and theme issues often get in the way of continued stories.

#3 – Pay attention to the rules. As it says in the editorial, always include a Self Addressed Stamped Envelope and your phone number. I respond by phone much, **much** faster than by letter.

#4 – Send photocopies only. Never send originals. And never send anything other than what you consider to be your best.

#5 – Realize that if an editor rejects your work, they are not rejecting you. Your story may not fit the theme, or be too close to another story, or may not be to the editor's taste, or may not be professional enough. Keep working, and submit later.

#6 – Check out two excellent books by Lurene Haines. If your local store doesn't have them, special order them. They are *Getting Into The Business Of Comics* (ISBN #0-941613-60-7) and *A Writer's Guide To The Business Of Comics* (ISBN #0941613-62-3). Invaluable sources both.
